

The diagram is a technical floor plan of a rectangular room. The room is bounded by a solid line, with a dashed line indicating an inner area. The room is oriented horizontally. The following features and specifications are shown:

- Room Dimensions and Orientation:** The room is rectangular. The orientation is indicated by a north arrow pointing towards the top right, labeled with a 47° angle.
- Entrances and Exits:** There are two main entrances/exits, each labeled "rurna spustowa Ø12" (downward opening, Ø12). One is located on the top wall, and the other is on the bottom wall. Both are marked with a 2° angle.
- Internal Features:** Two rectangular features are labeled "komin" (chimney). One is located on the left wall, and the other is on the right wall. Both are marked with a 2° angle.
- Internal Dimensions and Levels:** The internal width of the room is labeled "rynna Ø15" (gutter, Ø15) at the top and bottom. The internal length is labeled "rynna Ø15" (gutter, Ø15) on the left and right. A horizontal line across the middle of the room is labeled "+9,40", indicating a level or height.
- Other Labels:** The label "komin" is also present near the bottom left corner.
